HOW TO USE THE DIRECTORY

Refer to a person's name in Who's Who, which is followed by the firm's name.

The firm's name in the List of Hongs gives the business address and other information.

A person's name in the Residential Directory is followed by the resident's private address.

A private address in the Street Directory gives the position of the house, the name of the street in Chinese, etc.

Special Attention is drawn to the Agency List following the Shanghai Hongs. This contains over 3,000 agencies held by Shanghai firms. If you wish to find the agent of some particular motor-car, electrical battery or engine, refer to this list, which will give you the local agent's name.

China Architects and Builders Compendium

The Local Property Owners' Encyclopaedia

Either as investor, land owner, or tenant, nearly everyone in Shanghai is financially interested in land and houses. Land assessment, transfer and development, and the building and repair of houses are subjects on which everyone should be informed or have information in the form of easy reference handy. The Compendium deals fully and intelligently with all these activities, and its catalogue of locally obtainable materials and manufactures is invaluable.

Price Chi. \$5

Postage in China Ports 30 cents, Foreign Countries \$1.20 On Sale at all Booksellers and at the NORTH-CHINA DAILY NEWS, SHANGHAI

SAVE FOR THE

FUTURE

Everyone should put aside a certain portion of his or her monthly income against rainy days.

The small sum of \$12, put aside for Central Savings Society Bonds, not only draws generous bonus interest, but each month gives bondholders opportunity to draw \$25,000 and many smaller reimbursements.

A morning newspaper seven days a week, with an illustrated supplement every Sunday printed on art paper

THE NORTH-CHINA DAILY NEWS has for upwards of a century been recognized and quoted as the leading China foreign Newspaper. It has created for itself, and established for others, a model of what is required by readers and advertisers: a balance of news and opinion, a complete and impartial view of both Chinese and Foreign Affairs, Financial Surveys, Sport, Recreation and Literature.

Writers of several nationalities write on all subjects of national and popular interest, and reviews of plays and cinemas appear regularly. The advertising appeals to the highest class of readers-and the wealthiest.

China Architects and Builders Compendium

The Local Property Owners' Encyclopædia

Either as investor, land owner, or tenant, nearly everyone in Shanghai is financially interested in land and houses. Land assessment, transfer and development, and the building and repair of houses are subjects on which everyone should be informed or have information in the form of easy reference handy. The Compendium deals fully and intelligently with all these activities, and its catalogue of locally obtainable materials and manufactures is invaluable.

THE NORTH-CHINA DAILY NEWS

A morning newspaper seven days a week, with an illustrated supplement every Sunday printed in art paper

THE NORTH-CHINA DAILY NEWS has for upwards of a century been recognized and quoted as the leading China foreign Newspaper. It has created for itself, and established for others, a model of what is required by readers and advertisers: a balance of news and opinion, a complete and impartial view of both Chinese and Foreign Affairs, Financial Surveys, Sport, Recreation and Literature.

Writers of several nationalities write on all subjects of national and popular interest, and reviews of plays and cinemas appear regularly. The advertising appeals to the highest class of readers—and the wealthiest.

China Architects and Builders Compendium

The Local Property Owners' Encyclopædia

Either as investor, land owner, or tenant, nearly everyone in Shanghai is financially interested in land and houses. Land assessment, transfer and development, and the building and repair of houses are subjects on which everyone should be informed or have information in the form of easy reference handy. The Compendium deals fully and intelligently with all these activities, and its catalogue of locally obtainable materials and manufactures is invaluable.

THE NORTH-CHINA DAILY NEWS

A morning newspaper seven days a week, with an illustrated supplement every Sunday printed on art paper.

THE NORTH-CHINA DAILY NEWS has for upwards of a century been recognized and quoted as the leading China foreign Newspaper. It has created for itself, and established for others, a model of what is required by readers and advertisers: a balance of news and opinion, a complete and impartial view of both Chinese and Foreign Affairs, Financial Surveys, Sport, Recreation and Literature.

Writers of several nationalities write on all subjects of national and popular interest, and reviews of plays and cinemas appear regularly. The advertising appeals to the highest class of readers—and the wealthiest.

China Architects and Builders Compendium

The Local Property Owners' Encyclopædia

Either as an estor, land owner, or tenant, nearly everyone in Shanghai is financially interested in land and houses. Land assessment, transfer and development, and the building and repair of houses are subjects on which everyone should be informed or have information in the form of easy reference handy. The Compendium deals fully and intelligently with all these activities, and its catalogue of locally obtainable materials and manufactures is invaluable.
